

SPONSORSHIP OPPORTUNITIES

Sponsoring MHANKYSWOH's Education Summit gives you unique opportunities to:

- Reach a diverse audience with your message;
- Communicate with leadership in the health and wellness fields;
- Network with local, state, AND national mental health champions;
- Show your commitment towards a mentally healthier America; and
- Feel like part of the MHA family for a day while meeting some great people who share your passion for mental health.

MHANKYSWOH believes in a connected community that works collaboratively for wellness for all. With so many organizations committed to improving health and wellness in our region, it can be challenging to keep track of new providers, different services offered, contacts within organizations, etc. One of the greatest benefits of supporting the Education Summit is being front and center during the event. Your organization will be mentioned throughout the day of the event and on-screen at the beginning and end of each session.
